

Golf Pearl

For Valet Services

PARKING MANAGEMENT & VALET SERVICES

Parking management. A considered approach.

Open-air sites | Enclosed facilities | Multi-storey parking

Golf Pearl for Valet Parking Service W.L.L.

Commercial Registration No. 248661

Built around the needs of each parking site.

Parking management is our core business. Valet services form part of our wider service offering.

Golf Pearl for Valet Parking Service W.L.L. is a Qatar-registered company focused on the operation of parking facilities. Our registered activities cover car parks and garages, including multi-storey parking buildings.

We are seeking partnerships with property owners, building managers and commercial agents to establish paid-parking operations inside Doha. Each proposal is developed around the site layout, customer demand and the owner's requirements.

Operation of car multistorey garages

OUR PURPOSE

To help property owners put suitable parking assets to productive use through organised operations, clear commercial arrangements and courteous customer service.

Practical operations. Clear accountability.

The following scope can be tailored to each property and agreed as part of the operating contract.

- 01 Open-air and building parking**
Operation of private outdoor car parks, enclosed garages and multi-storey facilities, with parking allocation suited to the property.
- 02 Access and customer flow**
Entry and exit procedures, customer guidance, signage planning and management of visitor and reserved parking within the site.
- 03 Paid-parking administration**
Hourly, daily or monthly parking arrangements where agreed; payment procedures, receipt handling and reconciliation of collections.
- 04 Reporting and owner coordination**
Agreed reporting on parking use, collections, incidents and operational issues, with a defined point of contact for the property owner.
- 05 Valet and customer assistance**
Valet service options and customer assistance according to site needs, staffing arrangements and the agreed scope of service.

Staffing, equipment, systems and service hours are specified in the site proposal before mobilisation.

Your property. A parking partnership.

We welcome enquiries from owners and representatives of suitable buildings and private open areas inside Doha.

FACILITIES WE ARE SEEKING

Basement, ground-floor, podium or multi-storey parking; existing private outdoor car parks; and vacant private plots suitable for parking use, subject to the necessary site approvals.

MODEL 01

Lease agreement

Golf Pearl pays agreed rent and operates the facility, collecting parking fees under the rights granted by the owner.

MODEL 02

Revenue-sharing agreement

Golf Pearl and the owner agree how parking receipts are shared, with operating costs and reporting responsibilities clearly defined.

FROM ENQUIRY TO OPERATION

01

Site review

Location, capacity, access and customer demand.

02

Commercial proposal

Operating scope, costs and agreement terms.

03
